Southeast Florida Honor Flight

Southeast Florida Honor Flight is a non-profit organization created to honor America's veterans by providing them with an opportunity to see their memorial built for them in Washington, DC. This is provided at no expense to the veteran.

Currently the focus is on honoring World War II Veterans. There are over 400 World War II Veterans on the waiting list to visit the Second World War Memorial in Washington, DC.

The organization works year round to raise funds, however this year they set a goal to make at least three flights to Washington, DC. With over 400 veterans on the waiting list, this is only possible due to contributions from generous donors like yourself.

100% of the money raised from the golf tournament will go towards airfare, meals and transportation costs associated with taking each veteran to Washington, DC.

We hope you will support this most worthwhile organization, and give our veterans "One More Flight with Honor". Our success depends on your generosity.

Raffle, Door Prizes & More...

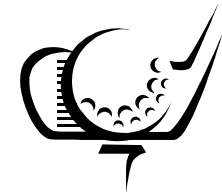

The Golf Committee has plenty in store to make the Southeast Florida Honor Flight Golf Tournament a success.

Great 1st and 2nd place prizes, door prizes, and a raffle that all are sure to enjoy - not to mention want to win. "Swing" in and register soon, space is limited.
